Frequently Asked Questions (FAQS)

Do PESONeT transactions have a cut-off time?

PESONet is available only during banking days and subject to a prescribed three cut-off time of 10:00 AM, 1:00 PM and 4:00PM for same day transmittal to the receiving bank. Transactions received after cut-off, on holidays or weekends will be processed for transmission to the receiving bank on the next banking day.

How soon will my PESONeT transaction be credited to my beneficiary?

Provided that the PESONeT transaction is done before the three cut-off time, funds will be credited within the day. Actual crediting may vary depending on Philtrust Bank and/or beneficiary bank's batch processing time and validation.

In case of unsuccessful PESONeT transaction, will I get my money back?

If the beneficiary bank is unable to credit the transaction due to but not limited to the following reasons: (1) invalid payee, (2) wrong or invalid account number (account number maybe incorrect, dormant, closed, blocked, frozen, account exceeds daily limit), (3) the currency of the account is not a qualified PHP account), funds will be returned to the sender on the next banking day, but service fees may apply. Hence, client shall ensure that the account number is correct prior to the execution of fund transfer.

If my interbank transfer is not successful, how will the money be refunded to me?

If the beneficiary bank is unable to credit the transaction to your beneficiary (i.e. wrong or invalid account number), the funds should be returned to the sender within the day or next banking day depending on cut-off period. No service fee for returned transactions.

I have transferred money to the wrong account. How do I attempt to recover the funds?

As long as a valid account number is provided, the credit to the beneficiary's account is considered final. We encourage you to ensure the correct account number is indicated in your PESONet fund transfer.

However, in the event that you provided the wrong account number, a request for recovery will be on a best effort basis subject to the account holder's consent as well as the beneficiary institution's internal policies on recovery.

What is the limit of the amount that can be transferred through PESONeT?

You may transfer multiple times but the maximum or total amount you can transfer per day is PHP200,000.00 (per source account).

What fees shall apply to PESONet transactions?

The following fees apply to PESONeT transactions: $.01-50,000 \Rightarrow PHP25.00$ $50,000.01 - 200,000.00 \Rightarrow PHP50.00$ Recipients of the funds will not be charged any fees.

How will I know if my PESONET transaction has been approved or rejected?

An email notification will be sent to your registered email for the status of your PESONET transaction.

For any concerns, you may contact us through the following:

Contact your branch of account Philtrust Bank Hotline: 8524-9061
